Only started every 6 months or so, which will mean it will need fresh fuel, carbi clean etc. Bike has been in a private museum display before coming to auction. Make: Matchless, Model: G80, Build Date: 1956, Odometer Indicating: 13048 miles, Colour: Black, Engine Number: 56 G80 2347CS, Registered: No, Roadworthy Supplied:No, Est. 10,000 - 15,000
101	**1911/12 Hedstrom Indian 8 valve Big Base Board Track Racer 'Re-creation',** Make: Indian,Model: Board Track Racer,Engine: Full scale, 1000cc V Twin – 4 valves/cylinder, total loss oil system.Year: Original bikes built in 1911/1912 – This replica was built in the USA in about 2010-2012 as a tribute to themarque.Marking the100 th anniversary of the legendary1911-1912 Indian Big Base 8 valve board track racer, wepresent this amazing rolling, running work of art for the Indian enthusiast. There is thought to be only oneoriginal big base Indian surviving, and this is an exact full scale running machine in tribute to themechanical brilliance of motorcycling pioneers, it is a one-off opportunity to acquire one of the mostdesirable, rarest motorcycles in the world today.This is a modern recreation of the original Indian racing motorcycle. thousands of hours and dollars has beeninvested in the creation of this wonderful masterpiece, an absolute work of art, built by a collaboration of afew of the finest craftsmen and Indian specialists in the world. The big base8 valve engine is the rarestHedstrom design and this is 100% correct including the intricateHedstrom casting on crankcase.The magneto is an original item Bosch.Running engine can be seen on YouTube http://www.youtube.com/watch?v=iovt40xPVaMThe engine shown in video is fitted with a modern Mikuni which is not supplied as it comes with a handmade replica 'soup can' Hedstrom carb, from Jon Szalay, an Indian and antique bike specialist in NewJersey USA (also a friend Mike Wolfe of the 'American Pickers' the tv reality show) at a cost of over $5000(https://www.amf.foundation/index.php?page=jon-szalayThe bike is in bare metal, as manufactured. I have left it exactly as is so the workmanship is visible, so hassome surface rust from sitting in the shed. It is a piece of working art.I understand that this bike has the number 1 engine, the first of three only, made by Ziggys motorworks.indian specialists. http://www.ziggysmotorworks.com/Theframe was hand built by Yellow Spirit in Wisconsin specifically for this project. Plans to build moreframes may not have materialised, if so this may be the only complete example in the world.Included in the auction are the following parts:-1. Rear stand which requires modification to fit.2. Engine 'cut out' switch3. Spare inlet spigots4. Steering headrace and ball bearings5. Chains6. American Racer – a scarce book on American and other early racing motorcycles.To my knowledge the only the following items are needed to complete the build:-1. Copper oil and fuel lines2. Carburettor manifold connections (minor modification needed if bike is to be run)3. Engine drive sprocket & fitting of chains4. Steering head adjustment (parts included)5. Linkages to adv/retard controlsNOTE: This is not a practical bike for use as it has No Brakes, No Clutch, No Mufflers and they were bumpstarted!!Watch the video to discover more...Welcome to Murderdrome - A brief history of board track... Est. 25,000 - 35,000

Lot	Title/Description
